

Dear Family Member or Guardian,

Are you and your loved ones ready for flu shot season? This year, Mallatt's Pharmacy is teaming up with Abilities Inc. to offer you an on-site flu shot clinic at a date to be announced later. Mallatt's Pharmacy and Interim Healthcare provide immunizations by registered nurses and facilitate the necessary paperwork, including insurance billing, cash receipts, or other forms of payment of your choice.

As part of this process, we need permission from the resident, power of attorney, and/or guardian to perform this service. Please read through the information provided and fill out the form below. **Please send back to Abilities Inc.**

Thank you!

Mallatt's Homecare Pharmacy Staff
